

OPENING OF THE BALAMA PROFESSIONAL TRAINING CENTRE

Syrah Resources Limited (“Syrah” or “Company”) in partnership with the Mozambique Institute of Professional Training & Labour Studies (“IFPELAC”) is pleased to announce the opening of the Balama Professional Training Centre (“BPTC”), a purpose-built learning & development facility located in the Balama District of Cabo Delgado, Mozambique.

The BPTC aims to improve the employability of members of Syrah’s Host Communities, not just in the mining industry, and will train a minimum of 500 community members over the next five years across basic artisan, health promotion and work readiness disciplines.

Constructed classrooms

All training material has been endorsed by IFPELAC and the training curriculum will continue to be developed over the coming years in line with the needs of the community and other stakeholders.

Enrolment and induction of initial student intake
