

Syrah Shortlisted for International SOS 2019 Duty of Care Awards

Syrah Resources is pleased to confirm it has been shortlisted for the International SOS 2019 Duty of Care Awards. Our shortlisting has been based on the team's efforts to mitigate malaria at the Balama Graphite Operation in accordance with leading practice and alignment with the Mozambique National Malaria Strategy. The Duty of Care Awards recognise outstanding achievements in meeting high standards of health, safety and security at work.

To be shortlisted with such an esteemed group of companies is testament to the team's hard work and dedication over the last four years. The winners of the Duty of Care Awards will be announced on 17 October 2019 – wish us luck!
